RECOGNITION OF ANTI-HAZING STATEMENT

In accordance with state law Cal State LA has a zero tolerance stance towards hazing. Any individual found sponsoring or in any way engaging in hazing activities on or off campus may be subject to university disciplinary action and/or criminal prosecution. Any University recognized fraternity or sorority found sponsoring or in any way engaging in hazing activities may be subject to suspension or permanent revocation of university recognition and the accompanying privileges. A definition of hazing from the California Education Code has been provided below:

Hazing, or conspiracy to haze. "Hazing" is defined as any method of initiation or pre-initiation into a student organization or student body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury to any former, current, or prospective student of any school, community college, college, university or other educational institution in this state (Penal Code 245.6), and in addition, any act likely to cause physical harm, personal degradation or disgrace resulting in physical or mental harm, to any former, current, or prospective student of any school, community college, college, university or other educational institution. The term "hazing" does not include customary athletic events or school sanctioned events.

Neither the express or implied consent of a victim of hazing, nor the lack of active participation in a particular hazing event is a defense. Apathy or acquiescence in the presence of hazing is not a neutral act, and is also a violation of this section.

Should any violation occur, we agree to contact the Center for Student Involvement at 323.343.5110.

We have read and understand the California State University, Los Angeles and the California State laws regarding hazing. We affirm that we will not allow anyone to violate or abuse our rights as individuals or as a group. We also recognize that we will not participate in any activity defined as hazing in accordance with California State University, Los Angeles and the California State laws. Should any violation occur, we agree to contact, the Center for Student Involvement at (323) 343- 5110.
