- QUESTIONS
Any and all bank accounts for recognized student organizations must bank through the University-Student Union (U-SU) process as required by CSU Administrative Policy 3141.01 and the Cal State LA Student Organization Funds Administration Policy.

Any organization accounts at other financial institutions must be closed and the funds deposited in a new account through U-SU immediately.

Organizations can apply for an exemption from this requirement.

Failure to comply with these policies can ultimately affect your student organization’s recognition at Cal State LA.
This the University’s policy that corresponds to the CSU Administrative Policy 3141.01

It is authorized by the following divisions:
- Vice President Administration Finance
- Vice President of Student Life

It establishes:
- Funds Administration through the University-Student Union
- Cash Handling Policies
- Tax Deductible Donation Policies
STUDENT CLUB AND ORGANIZATION PRIVATE EXTERNAL FUND RAISING ACTIVITIES

- University Advancement is responsible for overseeing the solicitation, acceptance and receipting of all private external tax deductible donations on campus.

- If a student club or organization is interested in doing external private fund raising, they will first need to complete the CSI Event Registration Form, at least 10 business days prior to the event.

- The event will be provisionally registered, pending approval from the Office of Annual Giving. The club or organization representative will be directed to meet with The Director of Annual Giving in the Office of Annual Giving in U-SU 102.
