Los Angeles, California

We have audited the accompanying financial statements of University-Student Union at California State University Los Angeles (the Union), a component unit of California State University, Los Angeles, which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Union as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule from pages 20 to 28 are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014 AND 2013**

NOTE 1 – ORGANIZATION

The University-Student Union at California State University, Los Angeles (a California State University Auxiliary Organization) (the Union), is a nonprofit auxiliary organization to California State University, Los Angeles (the University). The Union operates the Student Union building, as well as sponsors various campus activities that complement the instructional and recreational programs and initiatives of the University campus.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on accrual basis of accounting.

Financial Statement Presentation

The Financial Accounting Standards Board (FASB) implemented the FASB Accounting Standards Codification (Codification) effective July 1, 2009. The codification has become the source of authoritative accounting principles generally accepted in the United States (GAAP) recognized by FASB to be applied to nongovernmental entities. On the effective date, the Codification superseded all then existing accounting and reporting standards. All other non-grand-fathered accounting literature not included in the Codification has become non-authoritative. References to GAAP included in the FASB Codification are noted as Accounting Standards Codification (ASC).

Classification of Net Assets

The financial statements are presented in accordance with ASC Topic 958 Subtopics 205, 210, 225 and 230. The Union is required to classify net assets and revenues, expenses, gains and losses into three categories, based on the existence or absence of donor-imposed restrictions. The categories are unrestricted, temporarily restricted and permanently restricted net assets:

- Unrestricted net assets generally results from revenue generated by receiving unrestricted contributions and student fees, providing services, and receiving interest from investment less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.
- Temporarily restricted net assets include gifts, pledges, trusts, remainder interests, and income and gains which can be expended, but for which restrictions have not yet been met. Such restrictions include donor imposed restrictions that have specified the purpose for which the net assets are spent, or time restrictions imposed by donors or implied by the nature of the gift. The Union has no temporarily restricted net assets as of June 30, 2014 and 2013.

**UNIVERSITY-STUDENT UNION AT
CALIFORNIA STATE UNIVERSITY, LOS ANGELES
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2014 AND 2013**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- Permanently restricted net assets are subject to donor-imposed stipulations that they be maintained permanently by the Union. Generally, the donors of these assets permit the Union to use all or part of the income earned on any related investments for general or specific purposes. The Union does not have permanently restricted net assets as of June 30, 2014 and 2013.

Cash

The Union maintains its cash in a checking account and petty cash.

Accounts Receivable

Accounts receivable, including accounts receivable from affiliates, are stated at the amount management expects to collect from outstanding balances, which approximates fair value. Management provides for probable uncollectible amounts through a charge to bad debt and a credit to an allowance account based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to accounts receivable. At June 30, 2014 and 2013, allowance for doubtful account was \$3,979 and \$0, respectively.

Investments

The Union maintains an investment with the State of California-Local Agency Investment Fund (LAIF) and reports the balance at fair value. The fair value of the investment maybe greater or less than the deposits with the difference representing the unrealized gain or losses. Investment income or loss (including realized and unrealized gains and losses on investments, interests, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law. At June 30, 2014 and 2013, the Union recorded unrealized gain on investments in the amount of \$4,343 and \$6,116 respectively.

Capital Assets

Capital assets are stated at cost, and all capital assets in excess of \$5,000 are capitalized. Depreciation is calculated using the straight-line method over the estimated useful life of the assets, which range from three to ten years.

Deferred Employee Benefits

The Union implemented ASC Topic 715, *Employers' Accounting for Defined Benefit Pension and Other Post-Retirement Plans*, in connection with the deferred employee benefit plan. The topic requires organizations to recognize the funded status of a benefit plan, measured as the difference between plan assets at fair value and the benefit obligation, in the statement of financial position, with an offsetting charge or credit to net assets. Gains or losses and prior service costs or credits that arise during the period but are not recognized as components of net period benefit cost will be recognized each year as a separate charge or credit to net assets.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Student Fees

Student activity fees are remitted directly to the Chancellor's Office of California State University to cover principal and interest payments on its debt obligations, and other established system expenses. Subject to certain limitations, student activity fees in excess of such requirements, or surplus revenue, are provided to the Union and used to fund their operations.

Functional Allocation of Expenses

The costs of providing various programs and other activities of the Union have been summarized on a functional basis in the statements of activities and categorized as program and supporting services. Program services represents costs that benefit various student programs. Supporting services represents general and administrative costs and are classified as institutional support and building operations. In addition, certain costs have been allocated among the programs and services benefited.

Tax Status

The Union has received tax-exempt status from the Internal Revenue Service and California Franchise Tax Board under Section 501(c)(3) of the Internal Revenue Code, and Section 23701d of the Revenue and Taxation Code, respectively.

Management has considered its tax positions and believes that all of the position taken by the Union in their federal and state exempt organization tax returns are more likely than not to be sustained upon examinations. The Union's returns are subject to examination by federal and state taxing authorities generally for three and four years, respectively after they are filed.

Donated Use of Facilities

The Union has received non-cash contributions of donated use of facilities from an affiliate organization. The donated facilities has been recorded at fair value. For the years ended June 30, 2014 and 2013, the Union recorded \$65,063 and \$53,122, respectively as donated use of facilities and expense in the accompanying statement of activities.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Reclassifications

Certain accounts presented in the 2013 financial statements have been reclassified to be consistent with the current year's presentation. Such reclassifications have no effect on the change in net assets as previously reported.

NOTE 3 – CASH

Cash is composed of the following at June 30:

Cash in bank	<u>344,930</u>	<u>349,091</u>

The Union's cash deposits are contractually insured and collateralized in accordance with California Government Code requirements to secure its deposits by pledging government securities as collateral. The market value of pledged securities is equal to 110 percent of an agency's deposits. California law also allows financial institutions to secure an agency's deposits by pledging first trust deed mortgage notes having a value of 150 percent of an agency's total deposits. Collateral is considered to be held in the name of the Union. At June 30, 2014 and 2013, the bank balance for the Union of \$399,366 and \$406,644 respectively, was entirely insured and collateralized as described above.

Local Agency Investment Fund (LAIF)	<u>\$ 1,966,243</u>	<u>\$ 2,042,900</u>

NOTE 5 – FAIR VALUE MEASUREMENTS

The Union follows ASC Topic 820, *Fair Value Measurement and Disclosures*, for fair value measurements of financial assets and financial liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Union has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

NOTE 12 – PENSION PLAN

The Union provides pension benefits through the Teachers Insurance and Annuity Association - College Retirement Equities Fund (the Pension Plan), a defined contribution plan, to all eligible employees (as defined by the Pension Plan agreement). The Pension Plan consists of two parts. Part one consists of contributions made by the Union of 7% of the employee's compensation and part two includes contributions from both the employer and employee under the provisions of Section 403(b) of the Internal Revenue Code. Contributions from the Union for the 7% contribution become vested on a five-year graded scale, with 100% vesting occurring after five years. Under part two of the Pension Plan, the Union will match contributions up to a maximum of 5% of an employee's compensation. Contributions from employees and the Union's matching contributions are fully vested. The Union's total pension expense for the years ending June 30, 2014 and 2013 was \$170,821 and \$175,001, respectively and is included on the accompanying statements of activities. The Union's policy is to fund pension costs as incurred.

NOTE 13 – DEFERRED EMPLOYEE BENEFITS

The Union sponsors a defined benefit postretirement plan (the DB Plan) that provides lifetime postretirement medical and dental coverage to employees who retire at age 55 or older with at least 10 years of service.

The Union intends to contribute the maximum monthly health premium administered by the CalPERS medical program. The Union holds plan assets of \$1,188,671 and \$1,055,544 for the years ended June 30, 2014 and 2013, respectively.
