### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the University-Student Union at California State University, Los Angeles, as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements. The accompanying supplementary information on pages 23 to 35 are presented for purposes of additional analysis in accordance with an Administrative Directive dated June 24, 2003, *Financial Reporting Requirements for Auxiliary Organizations*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements  
June 30, 2017 and 2016

**NOTE 1 – ORGANIZATION**

The University-Student Union at California State University, Los Angeles (a California State University Auxiliary Organization) (the Union), is a nonprofit auxiliary organization of California State University, Los Angeles (the University). The Union operates the Student Union building, as well as sponsors various campus activities that complement the instructional and recreational programs and initiatives of the University.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Financial Statement Presentation**

The Financial Accounting Standards Board (FASB) implemented the FASB Accounting Standards Codification (Codification) effective July 1, 2009. The codification has become the source of authoritative accounting principles generally accepted in the United States of America (U.S. GAAP) recognized by FASB to be applied to nongovernmental entities. On the effective date, the Codification superseded all then existing accounting and reporting standards. All other non-grand-fathered accounting literature not included in the Codification has become non-authoritative. References to U.S. GAAP included in the FASB Codification are noted as Accounting Standards Codification (ASC).

**Basis of Presentation**

The Union reports information regarding its financial position and activities according to the three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets.

- Unrestricted net assets generally results from revenue generated by receiving unrestricted contributions and student fees, providing services, and receiving interest from investment less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.
- Temporarily restricted net assets include gifts, pledges, trusts, remainder interests, and income and gains which can be expended, but for which restrictions have not yet been met. Such restrictions include donor imposed restrictions that have specified the purpose for which the net assets are spent, or time restrictions imposed by donors or implied by the nature of the gift. The Union has no temporarily restricted net assets as of June 30, 2017 and 2016.
- Permanently restricted net assets are subject to donor-imposed stipulations that they be maintained permanently by the Union. Generally, the donors of these assets permit the Union to use all or part of the income earned on any related investments for general or specific purposes. The Union has no permanently restricted net assets as of June 30, 2017 and 2016.

Notes to Financial Statements (Continued)  
June 30, 2017 and 2016

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Cash**

The Union maintains its cash in a checking account, along with the cash collected from and designated for use by the student organizations of the University, and petty cash.

**Accounts Receivable**

Accounts receivable, including accounts receivable from affiliates, are stated at the amount management expects to collect from outstanding balances, which approximates fair value. Management provides for probable uncollectible amounts through a charge to bad debt and a credit to an allowance account based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to accounts receivable. At June 30, 2017 and 2016, allowance for doubtful accounts were \$63 and \$0, respectively, and were all related to accounts receivable from affiliates.

**Investments**

The Union maintains an investment with the State of California-Local Agency Investment Fund (LAIF) and reports the balance at fair value. The fair value of the investment may differ from the deposits with the difference representing the unrealized gains or losses. Investment income or loss (including realized and unrealized gains and losses on investments, interest, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law. At June 30, 2017 and 2016, the Union received interest income in the amount of \$14,087 and \$11,829, respectively.

**Capital Assets**

Capital assets are stated at cost or estimated fair value at the date of gift if donated, net of accumulated depreciation. The Union capitalizes capital expenses in excess of \$5,000. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from three to ten years.

**Post-Retirement Benefit Plan**

The Union implemented ASC Topic 715, *Employers' Accounting for Defined Benefit Pension and Other Post-Retirement Plans*, in connection with the post-retirement benefit plan. The topic requires organizations to recognize the funded status of a benefit plan, measured as the difference between plan assets at fair value and the benefit obligation, in the statement of financial position, with an offsetting charge or credit to net assets. Gains or losses and prior service costs or credits that arise during the period but are not recognized as components of net period benefit cost will be recognized each year as a separate charge or credit to net assets.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Student Fees**

Student fees are collected by the University and used to cover established University expenses. A portion is also remitted to the Chancellor's Office of California State University to cover principal and interest payments for the Systemwide Revenue Bonds used for the renovation and replacement of the University's Student Union Building. Subject to certain limitations, student fees in excess of such requirements, or surplus revenue, are provided to the Union and used to fund its operations.

**Functional Allocation of Expenses**

The costs of providing various programs and other activities of the Union have been summarized on a functional basis in the statements of activities and categorized as program and supporting services. Program services represent costs that benefit various student programs. Supporting services represent general and administrative costs, and are classified as institutional support and building operations. In addition, certain costs have been allocated among the programs and services benefited.

**Tax Status**

The Union is exempt from income taxes under 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. However, the Union remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

Management has considered its tax positions and believes that all of the positions taken by the Union in their federal and state exempt organization tax returns are more likely than not to be sustained upon examinations. As of June 30, 2017, the Union's returns are subject to examination by federal taxing authorities for years 2017, 2016, and 2015, and by state taxing authorities for the years 2017, 2016, 2015, and 2014.

**Donated Use of Facilities**

The Union records donated use of facilities from an affiliated organization. The donated use of facilities is recorded at fair value. For the years ended June 30, 2017 and 2016, the Union recorded \$73,958 and \$72,662, respectively, as donated use of facilities and expense.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Student Organization Activities**

Per California State University Administrative Policy 3141.01, the Union is obligated to administer student organization funds. Collections and disbursements relating to the student organizations are respectively recorded as revenues and expenses to the Union. For the years ended June 30, 2017 and 2016, the changes in net assets attributable to collections and disbursements of student organization funds that are included in the accompanying Statements of Activities are as follows:

	<u>2017</u>	<u>2016</u>
Revenues	\$ 65,272	\$ -
Expenses	<u>-</u>	<u>-</u>
Changes in Net Assets	<u>\$ 65,272</u>	<u>\$ -</u>

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NOTE 3 – CASH**

Cash is composed of the following at June 30:

	<u>2017</u>	<u>2016</u>
Cash on hand	\$ 2,650	\$ 2,650
Cash in bank	264,126	281,774
Cash in bank designated for student organizations	<u>65,272</u>	<u>-</u>
Total cash	<u>\$ 332,048</u>	<u>\$ 284,424</u>

The Union's cash deposits are considered public funds from a public unit, as defined by the Federal Deposit Insurance Corporation (FDIC), and are contractually insured and collateralized in accordance with California Government Code requirements to secure its deposits by pledging government securities as collateral. The market value of pledged securities is equal to 110 percent of an agency's deposits. California law also allows financial institutions to secure an agency's deposits by pledging first trust deed mortgage notes having a value of 150 percent of an agency's total deposits. Collateral is considered to be held in the name of the Union. At June 30, 2017 and 2016, the bank balances for the Union of \$461,084 and \$391,736, respectively, were entirely insured and collateralized as described above.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The Union follows ASC Topic 820, *Fair Value Measurement and Disclosures*, for fair value measurements of financial assets and financial liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). Investments in an external government investment pool are not subject to reporting within the level hierarchy.

The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Union has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The following presents investments that are measured at fair value on a recurring basis at June 30, 2017 and 2016:

	<b>2017</b>	<b>2016</b>
Local Agency Investment Fund (LAIF)	\$ 3,018,086	\$ 2,637,999

**NOTE 5 – CAPITAL ASSETS**

The remaining balance of \$12,005 represents the unearned income received for fiscal year 2017. **NOTE 8 – COMMITMENTS**

**Revenue Bonds**

Since December 1996, a series of Systemwide Revenue Bonds were issued by the Trustees of the California State University and Colleges (the Trustees) for the renovation and replacement of the University's Student Union Building. Legal title to the University's Student Union Building is vested, along with the related debt, with the Trustees. While both the building and debt are carried on the books of the Trustees and are excluded from the Union's financial statements, the Union receives only a portion of student fees from the University after the necessary debt service requirements for these revenue bonds, along with other University expenses, are met.

**Excess of Student Fees**

The Union has entered into an agreement with the Office of the Chancellor of the California State University that expires on June 30, 2020, and provides, among other things, that the excess of the student fees collected by the University (after satisfying certain reserve requirements and servicing the principal and interest payments on the revenue bonds) is available for payment of expenses incurred in the operation of the Union.

Pursuant to this agreement, the Union received from the University approximately \$4,800,000 for fiscal year 2017 and approximately \$4,000,000 for fiscal year 2016 to fund its operation, respectively.

**NOTE 9 – LEASE ARRANGEMENTS AS A LESSOR**

The Union leases out space of the University-Student Union Building to various affiliated organizations and third-party tenants under noncancelable operating subleases expiring through August 2038. The following is a summary of minimum future rental income under these noncancelable leases:

**NOTE 10 – PENSION PLAN**

The Union provides pension benefits through the Teachers Insurance and Annuity Association - College Retirement Equities Fund (the Pension Plan), a defined contribution plan, to all eligible employees (as defined by the Pension Plan agreement). The Pension Plan consists of two parts. Part one consists of contributions made by the Union of 7% of the employee's compensation and part two includes contributions from both the employer and employee under the provisions of Section 403(b) of the Internal Revenue Code. Contributions from the Union for the 7% contribution become vested on a five-year graded scale, with 100% vesting occurring after five years. Under part two of the Pension Plan, the Union will match contributions up to a maximum of 5% of an employee's compensation. Contributions from employees and the Union's matching contributions are fully vested. The Union's total pension expense for the years ending June 30, 2017 and 2016 were \$121,266. and \$147,013, respectively, and is included on the accompanying statements of activities.
